This May, I am dancing to make a difference for seriously sick and injured children and their families at Ronald McDonald House Charities.

Here's how your donation is helping sick and injured kids and their families:

\$30

Helps keep the cupboards stocked with cooking essentials for sick kids and their families

\$60

Help provide a nutritious meal for a sick child and their family staying at Ronald McDonald House

\$110

Helps provide educational resources in our learning centre to support students and siblings studying far away from home

\$160

Sponsor one night of accommodation for a sick child and their family at Ronald McDonald House
